

Locker Room Amenities

Classic Woodworking is your one source provider of wood locker room amenities that are simple yet functional. At Classic, equipping a club is more than satisfying wood locker needs. A tailored wood locker room can also include towel drops, grooming stations, mirrored end panels, and benches. These items provide additional amenities for club members, helping you create an environment that is not just a place to change clothes, but a place where members can be comfortable and feel at ease meeting with friends or business associates.

Available Bench Options

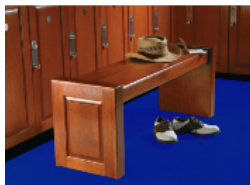

Butcherblock Bench 
Solid butcher block seat available in Red Oak or Maple with stainless steel or wood pedestal legs.

Waterfall Bench 
Wood veneer benches available in Red Oak, Maple, Cherry, Mahogany and various other species.

Contemporary Bench 
Seat available in plastic laminate, wood veneer or carpet ready. Bench ends available in plastic laminate or wood veneer. A seat cushion to match is a great addition.

Traditional Bench 
Seats available in wood veneer, plastic laminate or carpet/cushion ready (cushion/carpet to be provided and installed by others). Bench ends available in raised panel or flat panel to match your wood locker door style.

Amenities that Compliment

Grooming Stations 
Grooming stations come standard with a mirror, light and a white or almond colored Gibraltar solid surface top. Wilsonart Gibraltar solid surfaces are available in other colors and can be added for an additional charge. The dimensions of the grooming station will be built according to its placement in your locker room.

Towel Drops 
Towel drops come standard with a white or almond colored Gibraltar solid surface top. Wilsonart Gibraltar solid surfaces are available in other colors and can be added for an additional charge. The dimensions of the towel drop will be built according to its placement in your locker room.
